Source: EHF event Moments in time 8th Men's and Women's European Beach Handball Championships September 2013

ASSEMBLY INSTRUCTIONS:

- 1) Starting from Semi perimeter **START**, fix it to the corner of one of the goals of the handball field with the snap-hook;
- 2) stretch the short side of **SEMI PERIMETER LINE A** on the ground, in a straight line, up to the point marked by the blue circle;
- 3) create the first **CORNER (90° angle) well taut**, setting the stakes into the ground and stretch the long side of **SEMI PERIMETER LINE A** on the ground, in a straight line, up to the point marked by the blue circle;
- 4) create the second **CORNER (90° angle) well taut**, setting the stakes into the ground and stretch the short side of **SEMI PERIMETER LINE A** up to fix the field to the corner of the opposite goal with the snap-hook;
- 5) repeat everything to assemble **SEMI PERIMETER LINE B**;
- 6) stretch **GOAL AREA LINE A** and fix Goal Area Line **INTERSECTION** to the handball field's perimeter, in front of a goal, where yellow cylinders join the blue ones;
- 7) repeat everything to assemble **GOAL AREA LINE B** in the other side of the handball field.

IMPORTANT!

For the best stability of field, before placing, create a small ditch in the sand where put the components inside
